

e-asTTle Onscreen Question Response types

Students may come across the following nine question response types in e-asTTle: The layout of each response type in the old flash test player is shown with a white background. The layout of the same response type in the new test player is shown with a light green background.

1. Multiple Choice

Click the radio-button beside the response you believe is correct.

<p>01. What colour is the kitten?</p> <p><input type="radio"/> All white</p> <p><input checked="" type="radio"/> All grey</p> <p><input type="radio"/> Grey and white</p> <p><input type="radio"/> Black and white</p>	<p>5) Why do birds build nests?</p> <p><input type="radio"/> To keep themselves safe.</p> <p><input type="radio"/> Because they like mud.</p> <p><input type="radio"/> To help them find food.</p> <p><input type="radio"/> Because they like to eat spiders.</p>
---	--

2. Short Answer

Enter a response in the available text boxes.

<p>06. At what time will the event start?</p> <p><input type="text" value="four o'clock"/></p>	<p>6) What evidence is there that the house has not been lived in for a long time? List under the headings below.</p> <p>(i)</p> <p><i>The garden</i></p> <p><input type="text"/></p> <p><i>The house</i></p> <p><input type="text"/></p>
---	--

3. Matching

Matching items are displayed in the old Flash player as 'drag and drop' items. In the new version, they have been reformatted as dropdowns. This ensures they work on touch screens and can fit in the HTML side-by-side layout.

04. Match the following exclamations used in *Poverty Text B* on the left, with their intended effect on the right.

"Mmmm!" (Paragraph 1)	<input type="checkbox"/>	Emphasises a point made.
"Buy Fair trade!" (Paragraph 7)	<input type="checkbox"/>	Indicates the words should be said loudly.
"The ...coffee sold for about NZD \$15.00!..." (Paragraph 5)	<input type="checkbox"/>	Intensifies the words.
	<input type="checkbox"/>	Signals an expected emotional response.

1) Match each person or organisation on the left, to the activity they did when making this book on the right. One has been done for you.

<input type="text"/>	Usborne Publishing Ltd	a) worked out how to make the planes.
<input checked="" type="text"/>	Ian McNee	b) published the book.
<input type="text"/>	Peter Holland	c) drew the pictures for the book.
<input type="text"/>	Angie Sage	d) wrote the text for the book.

4. True/False

Click the radio-button beside the option that you believe fits the question or statement.

<p>09. Choose whether each of the following is TRUE or FALSE.</p> <table border="0"><thead><tr><th></th><th>TRUE</th><th>FALSE</th></tr></thead><tbody><tr><td>Takahe live longer in the wild than in captivity.</td><td><input type="radio"/></td><td><input type="radio"/></td></tr><tr><td>Adult takahe can weigh over 3kg.</td><td><input type="radio"/></td><td><input type="radio"/></td></tr><tr><td>The takahe incubates its eggs for three days.</td><td><input type="radio"/></td><td><input type="radio"/></td></tr></tbody></table>		TRUE	FALSE	Takahe live longer in the wild than in captivity.	<input type="radio"/>	<input type="radio"/>	Adult takahe can weigh over 3kg.	<input type="radio"/>	<input type="radio"/>	The takahe incubates its eggs for three days.	<input type="radio"/>	<input type="radio"/>	<p>3) Indicate whether the following numbers are Rational or Irrational.</p> <table border="0"><thead><tr><th></th><th>Rational</th><th>Irrational</th></tr></thead><tbody><tr><td>$\frac{1}{7}$</td><td><input type="radio"/></td><td><input type="radio"/></td></tr><tr><td>$\frac{1}{\sqrt{16}}$</td><td><input type="radio"/></td><td><input type="radio"/></td></tr><tr><td>$\sqrt{161}$</td><td><input type="radio"/></td><td><input type="radio"/></td></tr></tbody></table>		Rational	Irrational	$\frac{1}{7}$	<input type="radio"/>	<input type="radio"/>	$\frac{1}{\sqrt{16}}$	<input type="radio"/>	<input type="radio"/>	$\sqrt{161}$	<input type="radio"/>	<input type="radio"/>
	TRUE	FALSE																							
Takahe live longer in the wild than in captivity.	<input type="radio"/>	<input type="radio"/>																							
Adult takahe can weigh over 3kg.	<input type="radio"/>	<input type="radio"/>																							
The takahe incubates its eggs for three days.	<input type="radio"/>	<input type="radio"/>																							
	Rational	Irrational																							
$\frac{1}{7}$	<input type="radio"/>	<input type="radio"/>																							
$\frac{1}{\sqrt{16}}$	<input type="radio"/>	<input type="radio"/>																							
$\sqrt{161}$	<input type="radio"/>	<input type="radio"/>																							

5. True Multiple Choice

Click the box next to the answer you think is right. You may choose more than one box.

<p>03. Choose all techniques that the text uses to show that a new section begins.</p> <ul style="list-style-type: none"><input checked="" type="checkbox"/> Use a heading.<input checked="" type="checkbox"/> Use a question.<input checked="" type="checkbox"/> Bold the first three words.<input type="checkbox"/> Put the section in a box.<input type="checkbox"/> Use black background around heading.<input type="checkbox"/> Use icons as part of heading.<input type="checkbox"/> Put heading in all capital letters.<input type="checkbox"/> Change the font style.	<p>2) Which of the following ingredients do you need for this recipe?</p> <ul style="list-style-type: none"><input type="checkbox"/> Butter<input type="checkbox"/> Baking soda<input type="checkbox"/> Baking powder<input type="checkbox"/> Coconut<input type="checkbox"/> Flour<input type="checkbox"/> Peanuts
---	---

6. Sequence

Type in the numbers in the order you believe to be the correct sequence.

<p>08. Put the numbers 1 to 4 in the boxes to show the correct order for the events in the fable.</p> <ul style="list-style-type: none"><input type="text" value="1"/> The lion's breath made the monkey feel sick.<input type="text" value="3"/> The fox said he couldn't smell the lion's breath.<input type="text" value="2"/> The sheep ran away in fright.<input type="text" value="4"/> The lion was worried about his breath.	<p>5) Put the numbers 1, 2, 3, 4 and 5 in the boxes to rank these stars from smallest (1) to largest (5).</p> <ul style="list-style-type: none"><input type="text"/> Yellow star<input type="text"/> White star<input type="text"/> Orange star<input type="text"/> Red giant<input type="text"/> White dwarf
--	--

7. Inline

Fill the boxed gaps in the text with appropriate word/s

09. fitness required is high and preparing for exams means hard work and hours of practice true on a regular basis. Once you qualify, the work isn't easy.

9) Alana is 8 years old.
Connor is 6 years old.

Use $>$, $<$ or $=$ to complete the sentence about the ages of Alana and Connor.

Alana's age Connor's age.

8. Shade

Click on each bubble to highlight the option you believe is correct. You may click multiple bubbles.

02. Choose the bubbles that show where capital letters are needed. Mark each bubble.

Mrs Hopai is taking our class on a trip to Christchurch

4) Choose the bubbles that show where capital letters are needed. Mark each bubble.

Tomorrow is Saturday and I am going to visit Rangi

9. Word Tags

In the existing Flash player, Word items were formatted as 'drag and drop'. In the new test player, students must type the words in. This is similar to how students must answer Word items on paper.

01. Put these words in the correct column to show whether they are ingredients or processes.

conching cocoa beans roast crush cocoa powder milk sugar

Ingredient

Processes

1) Choose the best word from the boxes to complete each sentence.

there their they're they've they'd

The students will receive awards when the competition is over.

I think the best friends I have ever had.
